The Mobilex Arthritis Tiger and Tiger Outdoor rollators are based on the elegant Leopard (Tiger) and Lion (Tiger Outdoor) rollators, respectively, and therefore also have their characteristics and functions. In addition, the soft and comfortable forearm supports with their brake handles are adjustable in depth, angle and height. Apart from the model 312201, the armrests can also be turned inwards in 2 angles by 22.5 degrees each. As standard, the rollator has a transport lock and a removable shopping bag. A wide range of accessories is also available.
