

KANGAROO

The Mobilex Kangarobody warmers have an anatomical shape and are made of tear-resistant waterproof nylon with a pleasantly warm thermal lining inside. This makes them not only comfortable but also ideal for use on cold and rainy days. The body warmers are equipped with a large all-round easy-to-use zipper and have a non-slip underside. There is a convenient pocket at the front which is also equipped with a zipper with a large handle eyelet. Two reflective stripes on the front increase safety on public roads. An adjustable back strap and elastic loops allow for secure attachment to the back or push handles of the wheelchair.

The Kangaroo body warmers are available in 3 dimensions.
